D(2x) **F**
All I want to do is spend a
Em **Am** **C**
lifetime with you, baby

D(2x) **F** **Em** **C**
Cos you make me feel that good

And nothing else matters
Until you re in my arms, girl
And all those broken promises
we made to each other
We have so much more to give
I know that we can do this
That s how I want to live
Eternally together

All I want to do is spend a
lifetime with you, baby
All I want to do is spend a
lifetime with you, baby

Will you make it happen
for us now
Please this time
You know I need your
touch honey
I want your touch honey
Like the morning sun
has just begun
Girl, like the rain on
my window pane
Girl, if I could make you stay
More than one day
Eternally together
Oh girl I need your touch
Oh girl I want your loving
Sweet, you know that
we can make it happen
For you and for me to be
And eternally together
we will be
