

All I want to do is spend a
lifetime with you, baby
All I want to do is spend a
lifetime with you, baby

Will you make it happen
for us now
Please this time
You know I need your
touch honey
I want your touch honey
Like the morning sun
has just begun
Girl, like the rain on
my window pane
Girl, if I could make you stay
More than one day
Eternally together
Oh girl I need your touch
Oh girl I want your loving
Sweet, you know that
we can make it happen
For you and for me to be
And eternally together
we will be
