[Verse]

She s gone away
Flying out on a jet plane
Told me, she won t be back again

[Chorus]

Well, I got this thing, girl
I wanted to say to you
Baby, can t you stop that plane
Turn it around, I still love you, babe
Tell the captain that I m to blame
I m to blame

[Verse]

There s ink stained with tears
All these letters from my heavy heart
This is what I always feared
That the sparks would fly
And we would break apart

[Chorus]

[Verse]

You gotta stop that plane
Turn it around, turn it around
You gotta stop it
You gotta stop it now
And turn it around
You re my magic star
Don t you fly too far from me
From me, from me
Can t you see

[Middle eight]

There s a hole in my soul
And I m loosing control
And it s not to late for you
to be my magic star
Cannot see now babe I m so sad and teared
I think I m your midnight hare
It s still the same
cause you re round my brain
Gotta stop that way to
Come and see my baby

[Verse]

She s Ooooh gone away
Flying out on a jet plane
Told me, she won t be back again

I curl up tight
So alone, I can t sleep at night
Return to sender, that s me tonight
I really think I m lost in space
I shut my eyes, I can see your face
Reach out touching your soft embrace

You gotta stop that plane

[Instrumental]

[Coda]

Now there s a hole in my soul
And I m losing control
I m not, you re my magic star
But you ve gone away
And flown too far this time

Stop that plane, turn it around, baby
You got to come and see me
Stop that plane, turn it around, baby
I know you don t need me to stop that plane
And turn it around
Turn it around
I need to see you, babe
I need to see you, baby and you
You re my magic star
Don t you fly too far
Stop that plane
Turn it around, turn it around
