

Travelling Without Moving  
Jamiroquai

Bass Player: Stuart Zender  
This Transcription: Lawrence Docherty

Groovy bass at its best! Just make sure and keep your playing solid, specially in the speed-freak section, where you have to keep playing a tricky riff for a while.

intro (repeated a couple of times)

```

Chorus (repeated a few times - keep the notes well separated)

```

|-----6---6---6-----11---11---9---6---
|-----6-----4---4-----
|--4--7-----4--4-----9---9---7---4---

```

--6--9-----4--4-----5-----|

Going into the speed-freak section, play:

```

|-----|
|-----|
|--4--3--2--1--0h1--1--1--0--|
|-----|

```

...Then that essential speed-freaky riff:

```

|-----
|-----5-----5555-7-7/9-5-----

```
