

World That He Wants
Jamiroquai

Released 15th June 2005.

Tabbed by:PJVillanueva

Why does this man
Defy the storm and burn us all
Each time his hand waves
The sun it sets on lonely graves
Haven t we read this page before
We re gonna lose the war
Put down the glory flag
Nothing will be the same

This is the world he wants
Pray for the brave and the young
It won t bring them back again

Stillness you know that it reigns supreme
And suffocates our only dream
No birds sing here
They ve flown away
They didn t even say
When they d be back again
Will they come back again
Unleash the hounds of hell
Whip up the fury wind
Hidden inside his dome

This is the world he wants
Pray for the brave and the young
He knows they re not coming home
Now do you ever, ever get the feeling
Ever get the feeling
This is the world that he wants
D you ever get the feeling
Ever get the feeling
This is the world that he wants
This is the world he wants
This is the world he wants
