

Bizarre Love Triangle
Jammil e Uma Noites

Intro: **G A F#m**

G **A**
Every time I think of you
F#m **G**
I get a shot right through into a bolt of blue
G **A**
It s no problem of mine but it s a problem I find
F#m **G**
Living a life that I can t leave behind

G **A**
There s no sense in telling me
F#m **G**
The wisdom of a fool won t set you free
G **A**
But that s the way that it goes and it s what nobody knows
F#m **G**
And every day my confusion grows

G **A**
Every time I see you falling
F#m **G**
I get down on my knees and pray
G **A**
I m waiting for that final moment
F#m **G**
You say the words that I can t say

G **A**
I feel fine and I feel good
F#m **G**
I feel like I never should
G **A**
Whenever I get this way I just don t know what to say
F#m **G**
Why can t we be ourselves like we were yesterday

G **A**
I m not sure what this could mean
F#m **G**
I don t think you re what you seem
G **A**
I do admit to myself that if I hurt someone else
F#m **G**
Then I d never see just what we re meant to be

[illegible]
