Bb **D#/G** **Bb**
My love, my true love I m deep down
D#/G **Bb** **F**
I m so deep down

My God, my own God, I m so tired
And I m tired of being around

F
When I break through
Bb **D#/G** **Bb** **Gm** **F**
I m gonna do anything... I want to do

My bird, my true bird You fly away
Every single day

My lonely friend, I long for you
And I ve looked long for you

F
When I break through
Bb **D#/G** **Bb** **Gm** **F** **D#/G** **Bb**
I m gonna lose everything you ask me please not to lose

My dog, my dog I m leaving town
Oh won t you come along, get down

F
Oh won t you come
Bb **D#/G** **Bb** **Gm** **F**
Come get down Won t you come Won t you come Won t you come
