

I Wont Give Up
Jana Kramer

so this is a beautiful song, and it ll only be fair to tab it accordingly. she plays this song with finger picking style and sometimes mutes the strings. add your flair. here we go!

intro

D

(E on second fret, E on 3rd fret and E on 5th fret.) if you like you can just pluck the 2nd, 3rd and 5th fret of the low E string, be sure to mute the remaining strings so you don t get weird out of place sounds.

D

G

chorus
