

Again

Janet Jackson

My first time transcribing anything, so if there can be any improvements let me know. I didn't transcribe from listening to the song, but by memory and through voice. Email me with any comments at toughturtle4@yahoo.com.

Again - Janet Jackson

C

I heard from a friend today

Am

And she said you were in town

C G/F F

Suddenly the memories came back to me in my

G

Mind

[CHORUS]

C

Em

How can I be strong I've asked myself

Am

Time and time I've said

F

G/F

C

That I'll never fall in love with you again

Em

A wounded heart you gave

Am

My soul you took away

F

Good intentions you had many

G/F

C

I know you did

Em

I come from a place that hurts

Am

And God knows how I've cried

F

And I never want to return

G/F

C

never fall again

C

Em

Am

Making love to you

Am

Oh it felt so good and

F

G/F

Oh so right

C, Em, Am, F, G/F, C

[CHORUS]

C

So here we are alone again

Am

Didn't think it'd come to this

F

And to know it all began

G/F

C

With just a little kiss

I've come too close to happiness

Am

To have it swept away

F

Don't think I can take the pain

G/F

C

No never fall again

C

Em

Am

Kinda late in the game

and my heart is in

G/F

Your hands

C

Don't you stand there and then

E

Tell me you love

Am

F

Me then leave again

F

Em G

Cause I'm falling in love with

C

You again

C

Hold me

Em

Hold me

G/F

Don't ever let me go

Am

G/F

Say it just one time

F

Say you love me

Em

G

God knows I do

G/F

Love you

C

Again
