```

```
      [Dm11]
A -      nonymous, au - tonomous, -
      [Em11]                      [Dm11]      [Em11]
will      likely get the best of us      yet
      [Dm11]
Be -      fore you disappear, If you -
      [Em11]                      [Dm11]      [Em11]
can      lend me half an ear I ll re -      gret
      [Dm11]
If I      treat you like a number, -
      [Em11]                      [Dm11]      [Em11]
it s be -      cause I can t remember your      name
      [Dm11]
So      have another cigarette, -
      [Em11]                      [/]      [theme]
and      help me to forget what I      came
```

Chorus:

```
      [Gm]      [Gm]      [Dm11]
You run too      fast, -      fly too      high
      [Gm]      [A7]/      [Dm11]      [Em11]
Run too      fast      - and fly too      high
```

```
      [Dm11]
On      dark and lonely nights I m -
      [Em11]                      [Dm11]      [Em11]
only      Right when things are bright on the      floor
      [Dm11]
      Dancing and romancing, -
      [Em11]                      [Dm11]      [Em11]
```

Chorus:

[endtheme]

e		-----/
B		-----/
G		-----/
D		2h3p2p0---0----0/
A		-----3-----3/
E		-----3b4-0/

```
e | ----- /
B | 3-----3----- /
G | 1p0--0-----f7 /
D | ---3---3-0-----f7 /
A | -----0h3----- /
E | -----3b4-0--- /
```

Note: in the chorus, the second Gm-chord can be replaced by a Bb7-chord. Janis doesn't play it on this occasion, but then it sounds much more like the studio recording.
