THE OTHER SIDE OF THE SUN by Janis Ian

(capo on 4)

Verse 1:

(**F**) Leaving on a boat for the only other side of the (**Gm**) ocean,
(**C**) I ll bet you in the morning you (**C7**) won t even know I m (**F**) gone.
Tired of living here in the middle of our mixed e- (**Gm**) -otion.
(**C**) Might as well be leaving on the other side of the (**F**) sun. (**F7**)

Chorus:

(**Bb**) Leaving with a feeling
I don t how I m dealing
with (**Am**) loving you,
though (**D7**) once I knew
the (**Gm**) the special way
and (**C7**) what to do
to (**F**) make you stay
for- (**F7**) -ever and ever.
(**Bb**) Even as I m leaving
I ll never start believing
you (**Am**) are the one
who can (**D7**) make me laugh
and can (**Gm**) bring me back
from the (**C7**) only other side of the (**F**) sun.

Verse 2:

Rollin down the river I hope I can deliver the morning,
wishing on a star for the sun to come out and play.
Funny when it s over you really don t remember the warning.
I might as well be living out beyond our milky way.
