THE OTHER SIDE OF THE SUN by Janis Ian

(capo on 4)

Verse 1:

(A) Leaving on a boat for the only other side of the (Bm) ocean,
(E) I ll bet you in the morning you (E7) won t even know I m (A) gone.
Tired of living here in the middle of our mixed e- (Bm) -otion.
(E) Might as well be leaving on the other side of the (A) sun. (A7)

Chorus:

(D) Leaving with a feeling
I don t how I m dealing
with (C#m) loving you,
though (F#7) once I knew
the (Bm) the special way
and (E7) what to do
to (A) make you stay
for- (A7) -ever and ever.
(D) Even as I m leaving
I ll never start believing
you (C#m) are the one
who can (F#7) make me laugh
and can (Bm) bring me back
from the (E7) only other side of the (A) sun.

Verse 2:

Rollin down the river I hope I can deliver the morning,
wishing on a star for the sun to come out and play.
Funny when it s over you really don t remember the warning.
I might as well be living out beyond our milky way.
