What else, what else is there to do ?  
**Bb**  
Oh and I know how you feel,

My unhappy oh little girl, little girl blue, yeah.

(intro)

**F Am Bb F**  
Oh sit there, oh count those raindrops

Oh, feel 'em falling down, oh honey all around you.

That all you ever gonna have to count on  
**C/E**  
Or gonna wanna lean on

It's gonna feel just like those raindrops do  
**Bb F**  
When they're falling down, honey, all around you.
