

One Night Stand
Janis Joplin

Song: One Night Stand
Artist: Janis Joplin
Album: Farewell Song
Tabbed by Jason O. Kaveh

[Verse]

G **F**
When I m on the road playin in a town without a name,
G **Em** **F**
And I m feelin low an everybody looks the same.
C **B7**
Well, you catch my eye, and then you come on strong an try to make your play.
C **D**
Just because we loved tonight, please don t you think it s gonna stay that way.

[Chorus]

G **D**
Don t you know that you re nothin more than a one night stand.
Em **D** **C**
Tomorrow I ll be on my way, an you can catch me if you can.
Am **D** **G** **D7**
Honey, take me by the hand and play that game again, yeah.

[Verse]

G **F**
Everywhere I go, the people wanna make some time with me.
G **Em** **F**
That s okay, if the next day I can be free.
C **B7**
Well, it s feelin good and you re the one I m lovin tonight,
C **D**
Well, don t you go and spoil it, babe, by trying to get yourself all uptight.

[Chorus]

G **D**
Don t you know that you re nothin more than a one night stand.
Em **D** **C**
I ll be on my way, an you can catch me if you can.
Am **D** **G** **D7**
Honey, take me by the hand and play that game again, yeah!!!

[Instrumental]

G D Em D C Am D

[Verse]

G **F**
When I m on the road, playin in a town without a name,

G **Em** **F**
Honey, I m feelin low and everyone looks the same.
C **B7**
Well, it s lookin good and you re the one that s lovin me tonight,
C **D**
Don t you go and spoil it babe, by trying to get yourself all uptight.

[Chorus]

G **D**
Don t you know that you re nothin more than a one night stand.
Em **D** **C**
I ll be on my way, an you can catch me if you can.
Am **D** **G** **D7**
Honey, take me by the hand and play that game again.

G **D**
Don t you know that you re nothin more than a one night stand.
Em **D** **C**
Oh, I ll be on my way, an you can catch me if you can.
Am **D** **G** **D7**
Honey, take me by the hand and play that game again.

G **D**
Don t you know that you re nothing more than a one night stand.
Em **D** **C**
Lord!!! Lord!!!!
[**Am** **D** **G**]
