(Pick Chords)It s the heart, afraid of breaking,that never, learns to dance.It s  
the dream, afraid of waking,that never, takes the chance.It s the one, who won t  
be taken,who cannot, seem to give.And the soul, afraid of dying,that never,  
learns to live.(Start Strumming)When the night has, been to lonley, and the road  
has been to long.That you think that love is only,for the lucky and the  
strong.Just remember in the winter,far beneath the bitter snows,Lies the seed  
that with the suns love,in the spring becomes the rose.e|
