

Could I Be Your Girl  
Jann Arden

Intro: **Dsus D A** x4

**Dsus D A**  
Hide your heart under the bed and lock your secret drawer.  
**Dsus D A**  
Wash the angels from your head, won't need them anymore.  
**Dsus D A**  
Love is a demon and you're the one he's coming for.  
**Dsus D A**  
Oh my Lord.

**Dsus D A**  
He's bringing sweet salvation, let temptation take him in.  
**Dsus D A**  
He's every fear and every hope and every single sin.  
**Dsus D A**  
He's the universe the love you've been imagining.  
**Dsus D A Dsus D A Dsus D A**  
Oh my Lord, oh my Lord, oh my Lord.

Chorus:

**Bm G D A**  
And I am ashes, I am Jesus. I am precious,  
**Bm A G D A**  
Could I be your girl, could I be your girl?

**Dsus D A** x2

**Dsus D A**  
Put a chair against the door and turn the lights down low.  
**Dsus D A**  
Write a letter to yourself, no-one will ever know.  
**Dsus D A**  
Tell them all about the girl who just refused to fall.  
**Dsus D A**  
Oh my Lord.

**Dsus D A**  
He is the very breath you feel inside your lungs at night.  
**Dsus D A**  
He is the bitter wind who's drying up your appetite.  
**Dsus D A**  
He is the darkness that seeps into your fading light.  
**Dsus D A Dsus D A Dsus D A Dsus D A**  
Oh my Lord, oh my Lord, oh my Lord, oh my Lord.

Chorus:

**Bm**            **G**                    **D**                    **A**  
And I am ashes, I am Jesus. I am precious,  
          **Bm**            **A**    **G**            **D**                    **A**  
Could I be your girl, could I be your girl?  
**Bm**            **G**                                    **D**                    **A**                    **Bm**  
And I am worthless sounds compared to all your perfect words,  
      **A**        **G**                                    **D**                    **A**  
Could I be your girl, could I be your girl?

Guitar Solo: ????? **Esus E B**

**Esus**            **E**                                    **B**  
Wash the angels from your head, won t need them anymore.  
**Esus**            **E**                                    **B**  
Hide your heart under the bed and lock your secret drawer.  
**Esus**            **E**                                    **B**  
Love is the demon and you re the one he s coming for.  
**Esus E**    **B**        **Esus E**    **B**  
Oh my Lord, oh my Lord.
