Intro :

B F# C#m E x2

Verse 1:

B
Hey, you know me
F#   **C#m**
I can skip the beat in your heart
                   E
Oh ooh oh

B
I know you told me
            F#   **C#m**
Don t come around or else we ll get caught
               E
Oh ooh woah

              B
Your mama she don t like me
           F#
Your brother wanna fight me
        C#m   **E**
But you know you just wanna have fun

B
I m not tryna hurt you
F#
Forget about your curfew

Chorus:
C#m strum x3
                              E   **B**
We re gonna set this world on fire
                                F#   **C#m**
We stepping out tonight and got nothing to lose
                     E   **B**
We gonna set this world on fire
                                          F#
C#m
You know we keep it jumping when we break all the rules
                     E   **B**
We gonna set this world on fire

```
                    F#
Woah oh oh oh
                  C#m
Woah oh oh oh

Woah oh oh oh
            E                               B
We gonna set this world on fire
                     F#
Woah oh oh oh
                C#m
Woah oh oh oh

Woah oh oh oh
              E                             B
We gonna set this world on fire

Verse 2:
B                             F#                            C#m
Please, you lonely? I can be the one that you call
          E
Oh oh oh
              B
 Cause by now you know me
F#                                    C#m
I ll be right there whenever you want
             E
Oh oh oh

   B
I know we gotta lay low
F#
Sneaking out your window
      C#m                                        E
But you know you just wanna have fun
      B                              F#
We gonna party all night till we see the daylight

Chorus:
C#m strum x3
                     E                           B
We re gonna set this world on fire
                        F#                                  C#m
We stepping out tonight and got nothing to lose
               E                        B
We gonna set this world on fire
                              F#
C#m
You know we keep it jumping when we break all the rules
              E                             B
We gonna set this world on fire
               F#
Woah oh oh oh
```

```
                  C#m
Woah oh oh oh

Woah oh oh oh
                  E                                B
We gonna set this world on fire
                        F#
Woah oh oh oh
                  C#m
Woah oh oh oh

Woah oh oh oh
                  E                                B
We gonna set this world on fire

Bridge:
        B                                          F#

If you wanna set this place on fire, let me hear you say
C#m              E
Oh oh oh oh oh oh oh oh
        B                                          F#

If you wanna set this place on fire, let me hear you say
C#m
Oh oh oh oh
E                             B
We re gonna set this world on fire

Chorus:
                        F#                                        C#m
We stepping out tonight and got nothing to lose
                  E                           B
We gonna set this world on fire
                              F#
C#m
You know we keep it jumping when we break all the rules
                  E                           B
We gonna set this world on fire
                      F#
Woah oh oh oh
                  C#m
Woah oh oh oh

Woah oh oh oh
                  E                                B
We gonna set this world on fire
                      F#
Woah oh oh oh
                  C#m
Woah oh oh oh

Woah oh oh oh
```

```
            E                              B
We gonna set this world on fire
```
