[Verse 1]

**Am**                  **Em**  **Am**          **Em**  
    Could I ever explain?  
      **Am**          **Em**          **Am**          **Em**      **F**          **Em**  
This feeling of love, it just lingers on, the fear in my heart...  
          **C**                  **Bm**          **Am**  **Em**  **Am**          **Em**  
That keeps telling me which way to turn-----! | / / / | / / / |

[Verse 2]

**Am**                  **Em**                  **Am**          **Em**  
    We ll wander a - gain,

**Am**                      **Em**      **Am**                      **Em**  
 Our clothes, they are wet, we shy from the rain,  
**F**              **Em**                      **C**              **Bm**                      **Am**      **Em**      **Am**      **Em**  
 Longing to touch all the places we know we can hide---,  
**F**                      **Em**                      **C**                      **Bm**                      **Am**      **Em**      **Am**      **Em**  
 The width of a room that can hold so much pleasure in - side-----!

**Dm**      **Am**                      **Bm**                      **Em**                      **Dm**      **Am**                      **Bm**                      **Em**  
 Here am I, a - lone a - gain, a quiet town where life gives in,  
**Dm**      **Am**                      **Bm**                      **Em**  
 Here am I, just... wander - ing,  
**Dm**                      **Em**      **Dm**                      **C**                      **Bm7**  
 Nightporters go, nightporters slip a - way!

[Verse 4]

**Am**                      **Em**                      **Am**                      **Em**  
 I ll watch for a sign,  
**Am**                      **Em**                      **Am**                      **Em**                      **F**                      **Em**  
 And, if I should ever a - gain cross your mind, I ll sit in my room,  
**C**                      **Bm**                      **Am**      **Em**      **Am**      **Em**  
 And wait until nightlife be - gins-----,  
**F**                      **Em**  
 And, catching my breath,  
**C**                      **Bm**                      **Am**      **Em**      **Am**      **Em**  
 We ll both brave the weather a - gain-----!
