The Other Side Of Life
(David Sylvian)

Am **Bb**
Well it s been a long time
G/B
How should I feel?
Dm
What can I say?
Am **Bb**
With fantastic stories
G/B
You present yourself
Dm
In different ways
Dm **Bb**
Some particular places
G/B
Remembered so well
Dm
Are hard to forget
Am **Bb**
We ve travelled so far now
 G/B
Then we were young
Dm
Hard to impress

Am **G/B** **Bm**
But she comes and goes
 Bb **C** **Dm**
The other side of life
Am **G/B** **Bm**
Sheltering only
 Bb **Dm**
The other side of life

These single occasions
We seem to share
Stumble and fall
If you could remember to wave
A sign of life my way

But she comes and goes
The other side of life
Sheltering only

The other side of life

its nice if you drop the low E to a D too, for this tune from Quiet Life.
