

Keep Me Going
Jared & the Mill

[Intro]

Am G C G F
Am G C G F

[Verse 1]

Am G C G F
Sweet, sweet little voice on the ocean tide
Am G C G F
Not a superstitious man won't pretend to know why
Am G C
Well you've taken me for hostage with your eyes
Am G C
Green of the sea and raised by waves in the dead of night
Am G C G F
Sweet sin, little thing taken way too far
Am G C G F
Coming clear across the wave like a compass star
Am G C
Oh show me the way, I wanna make it to the other side
Am G C
Taken in, angel's grin with a beam of light

[Chorus]

Am
Cause if it's nothing more
G C
Than how we might a-get along
Am G
Oh, I'm lost without your voice
C
You keep me going on

[Refrain]

Am
So can you keep me going on?
G C
Can you keep me going on like this?
Am
So can you keep me going on?
G C
Can you keep me going on like this?

[Verse 2]

Am G C G F
Never be another mark never cut my time

Enough there s only so much a man like me can bear
Am **G** **C**

[Bridge]

Am
Can you keep me going on?
G **C** **C/B** **F**

G **F**

Am **G**
Ah, my crazy head won t let me be
C **C/B** **F**
And this is nothing more than hope
Am **G** **C**
But I m thinking you can make me whole again
Am **G** **C**
Oh, I m thinking you can make me whole again

[Chorus]

Am
Cause if it s nothing more
G **C**
Than how we might a-get along
