I don t think I wish it was you and me  
C F  
And the darkness plays through the lights  
Am G  
In every town in every state

But I m not as close as I should be  
C C/B Am G F  
And I m not as far as I d like to be

**Am** **G**  
 But I don't give a fuck

 What's left of growing up

 I used to think that the stars at night

 Were some kind of metaphor for life  
**C**  
 But I was wrong  
**F**  
 I used to think the stars at night  
**F**  
 Were some kind of metaphor for life  
**C**  
 But I was wrong  
**C**  
 I was wrong

So paint my heart
