

Pray For You

Jaron and The Long Road to Love

CAPO ON 3RD

G **D**
I haven't been to church since I don't remember when
Em **C**
Things were going great til they fell apart again
G **D**
So I listened to the preacher as he told me what to do
Em **A7**
He said you can't go hatin' others who have done wrong to you
Am **G**
Sometimes we get angry but we must not condemn
C **D**
Let the good Lord do his job, you just pray for them

C
I pray your brakes go out runnin' down a hill
G
I pray a flower pot falls from a window sill
C **G**
And knocks you in the head like I'd like to
C
I pray your birthday comes and nobody calls
G **D**
I pray you're flyin' high when your engine stalls
Em **A7**
I pray all your dreams never come true
C **D** **G**
Just know wherever you are, honey, I pray for you

D **C** **G**
I'm really glad I found my way to church

D **C** **G**
Cause I'm already feelin' better and I thank God for the words
Am **C** **G**
Yeah, I'm gonna take the high road and do what the preacher told me to do

Am **C** **D**
You keep messin' up, and I'll keep prayin' for you

C
I pray your tire goes out at 110
G
I pray you pass out drunk with your best friend
C **G** **D** **E** **A7**
And wake up with his and her tattoos
