

Call My Name
Jars Of Clay

(intro 4x) **C Am**

C **Am**
I ll go when You call me
F **C**
I run when You tell me where to go
C **Am**
We are desert walkers under shady clouds
F **C**
Your fire shows there s more of You to know
F **Am**
Let our idols fail, vanity subside
G
And We will see the beauty in our lives

C **F**
When You call my name
C **F**
When You call my name
F
Send me to the edge of the Earth
Am
Show me what our life is worth
G **F**
When You call my name

(interlúdio 2x) **C Am**

C **Am**
I will wait in the darkest hour
F **C**
For You will be a light on this road
C **Am**
Lead me out to the ground I ve never walked on
F **C**
Only to rely on You alone
F **Am**
Let our idols fail, vanity subside
G
And We will see the beauty in our lives

C **F**
When You call my name
C **F**
When You call my name
F
Send me to the edge of the Earth

Am

Show me what our life is worth

G F

When You call my name

C F

When You call my name

(interlúdio 4x) **C Am**

F

This is my Father s world

Am

And to my listening ear

G

My heart is still at home

When I hear You call my name

C F

When You call my name

C F

When You call my name

C F

When You call my name

C F

When You call my name

C F

When You call my name

C F

When You call my name

C F

When You call my name

C F

When You call my name

C F C

When You call my name
