

Closer

Jars Of Clay

Standard tuning

(Long synth/bass intro, but hey, here are some guitar chords to play along with!)

C

Well you thought you let go, but youâ€™re still hanging on

Am

Mother earthâ€™s slowing down, sheâ€™s still spinning around

F

C

And we are getting dizzy

C

Iâ€™ll drop out of the race for more personal space

Am

F

Cuz the rockets we re in get so cold and I miss your skin

C

Itâ€™s just how Iâ€™m feelin

G

F

C

If you need more love, well youâ€™ve got to get close to me

G

F

C

If you want my love, well youâ€™ve got to get closer to me

C

No unreachable itch, if you hemorrhage Iâ€™ll stitch

Am

F

You are tears, Iâ€™m a cheek, Iâ€™m a pail on your boat with slow leaks

C

Out to sea for weeks

G

F

C

If you want my love, well youâ€™ve got to get close to me

G

F

C

If you want my love, well youâ€™ve got to get closer to me

G

F

Oh, if you want my love

C

Em7

F

I donâ€™t understand why we canâ€™t get close enough

C

Em7

F

I want your kite strings tangled in my dreams all wrapped up

C **Em7**

F

I don't understand why we can't get close enough

C

Em7

F

I'll be the comets that are falling from the sky you light up

C

Light up

C

You're my shirt, I an arm

I'm the tick, you're the bomb

Am

F

You're the L and the V, I'm the O and the E, and we're

G **C**

Am I speaking clearly?

G

F

C

If you want my love, well you've got to get close to me

G **F**

Ooh, if you want my love

C **Em7**

F

I don't understand why we can't get close enough

C

Em7

F

I want your kite strings tangled in my dreams all wrapped up

C **Em7**

F

I don't understand why we can't get close enough

C

Em7

F

I'll be the comets that are falling from the sky you light up

C

Em7

F

Because I don't understand why we can't get close enough

C

Em7

I'll miss the shivers in my spine every time that we touch.
