

Collide

Jars Of Clay

This starts with a piano solo, which I didn't tab,
but here are the chords in case you want em.

Intro: **F# E Em B F# E Em B**

guitar comes in with: **F# A B (3x) G D**

Vs 1 (bass only):

F# B
Open up your box of sunshine
F# B
and smile as confetti comes raining down on you
F# B
You feel a lot like the good guy, but do you know why
F#
Everything's so blue

Vs 2 (guitar comes in):

F# B
Well, love is fire and the coals are barely burning
F# B
Cold fills the emptiness that fills this empty place
F# B
I taught you the walk but then you ran away from me

and that's not how it's supposed to be

Chorus:

F# A B
I, I collide with love as an elusive state of mind
F# A B
I know there's something else it's supposed to be
F# A B
I, I collide with love as an elusive state of mind
G D
something's killing me

Vs 3:

F# B
Tearful confessions have watered down and broken down
F# B

the chance for unrequited love to finally reach its wall

F#

B

you re waiting for the ax to fall

Bsus4

Can t you see it lying on the ground?

Bridge:

F# E Em B

F#

E

Em

B

You could be the best one at cleaning up this mess

B

Be the best one, be the best one, be the best one.

F# B (3x) G D

Chorus after bridge:

F#

A B

I, I collide with love as an elusive state of mind

F#

A B

I know there s something else it s supposed to be

F#

A B

I, I collide with love as an elusive state of mind

G

something s killing me

F#

A B

I, I collide with love as an elusive state of mind

F#

A B

I know there s something else it s supposed to be

F#

A B

I, I collide with love as an elusive state of mind

G

D

something s something s killing, something s killing me

F# B F# B B/C (2x) F# B (over and over then end on F#)
