

Faith Like A Child Jars Of Clay

This is a great song to play with just a guitar and very easy if you re playing the right chords. I got it by ear so it might not be exactly how they play it but you can t tell!
standard tuning-basically barred chords

G	Gsus	D	C	
e[---3-----3-----2-----0]				[2]
b[---3-----3-----3-----1]				[3]
g[---4-----5-----2-----0]		The D also sounds fine like		[2]
d[---5-----3-----4-----2]				[0]
a[---5-----5-----5-----3]				[0]
e[---3-----3-----x-----0]				[0]

During the verse switch between G and Gsus just as it sounds on the cd
Dear God: surround me as I speak.

The Bridges that I walk across are weak

and frustrations fill the void that I can t solely bear.

Dear God: don t let me fall apart. You ve held me close to you.. and I have

turned away in search for answers that I can t understand.

Transition to chorus...

a[-----2--5--3---]
e[---3-----]

Chorus...

D	C	G	Gsus	G	Gsus
They say that I can move the mountains					
D	C	G	Gsus	G	Gsus
and send them falling to the see.					
D	C	G	Gsus	G	Gsus
They say that I can walk on water					
D	C	G	Gsus	G	(one stoke then mute)
if I will follow and believe....with faith like a child.					

Repeat verse and chorus and you basically have song
