Key of C

Intro

C **Am** **G** **Am** **F**

Verse 1

Am G F
We wandered off like children in the woods

Am G F
And let the searchers come but never find us

Am G F
We tried to make a life among the trees

Am G F
While your dreams collected planes and cars and cities

Am G F
You slipped away from me while I was sleeping

Am G F
To climb the tallest oak and see the lights

Am G F
Your dissatisfaction gave you questions

Am G F
Do you remember what the city sounded like?

Am G F
Do you remember what the city sounded like?

Chorus

C **G** **Am**
So stay up with me don't fall asleep

Am **G** **F**
Because we only have this moment once in our lives

C **G** **Am**
Next time we'll meet under city lights

Am **G** **F**
But we're here tonight, so let's make it all it was meant to be
