Fall Asleep Jars Of Clay

Fall Asleep Jars of Clay Key of C

Intro

C# Bbm G# Bbm F#

Verse 1

Bbm G# F#

We wandered off like children in the woods

Bbm G# F#

And let the searchers come but never find us Bbm G# F#

We tried to make a life among the trees

Bbm G# F#

While your dreams collected planes and cars and cities

Bbm G# F#

You slipped away from me while I was sleeping

Bbm G# F#

To climb the tallest oak and see the lights

Bbm G# F#

Your dissatisfaction gave you questions

Bbm G# F

Do you remember what the city sounded like?

Bbm G# F#

Do you remember what the city sounded like?

Chorus

C# G# Bbm

So stay up with me don't fall asleep

Bbm G# F#

Because we only have this moment once in our lives

C# G# Bbm

Next time we'll meet under city lights

Bbm G# F#

But we're here tonight, so let's make it all it was meant to be

Verse 2

Bbm G# F#

So I held you but the call was from inside

Bbm G# F#

And I knew I couldn't keep you if I tried

Bbm G# F#

But I watched as the distance spread, as the shadows grew

Bbm G# F#

And the longings came like wolves to devour you

(Repeat Chorus)

Instrumental

G# Bbm G# Bbm G# F#

(Repeat Chorus 2X)
