Key of C

Intro

**Bb Gm F Gm Eb**

Verse 1

**Gm F Eb**  
We wandered off like children in the woods  
**Gm F Eb**  
And let the searchers come but never find us  
**Gm F Eb**  
We tried to make a life among the trees  
**Gm F Eb**  
While your dreams collected planes and cars and cities  
**Gm F Eb**  
You slipped away from me while I was sleeping  
**Gm F Eb**  
To climb the tallest oak and see the lights  
**Gm F Eb**  
Your dissatisfaction gave you questions  
**Gm F Eb**  
Do you remember what the city sounded like?  
**Gm F Eb**  
Do you remember what the city sounded like?

Chorus

**Bb F Gm**  
So stay up with me don't fall asleep  
**Gm F Eb**  
Because we only have this moment once in our lives  
**Bb F Gm**  
Next time we'll meet under city lights  
**Gm F Eb**  
But we're here tonight, so let's make it all it was meant to be

Verse 2

**Gm F Eb**  
So I held you but the call was from inside  
**Gm F Eb**

And I knew I couldn't keep you if I tried

But I watched as the distance spread, as the shadows grew
