Verse 1

G#m F# E
We wandered off like children in the woods
G#m F# E
And let the searchers come but never find us
G#m F# E
We tried to make a life among the trees
G#m F# E
While your dreams collected planes and cars and cities
G#m F# E
You slipped away from me while I was sleeping
G#m F# E
To climb the tallest oak and see the lights
G#m F# E
Your dissatisfaction gave you questions
G#m F# E
Do you remember what the city sounded like?
G#m F# E
Do you remember what the city sounded like?

Chorus

B F# G#m
So stay up with me don't fall asleep
G#m F# E
Because we only have this moment once in our lives
B F# G#m
Next time we'll meet under city lights
G#m F# E
But we're here tonight, so let's make it all it was meant to be

Verse 2
