

## Flood

### Jars Of Clay

Intro: C, G#, A#, D#

C      A#              G  
Rain, rain on my face  
C      A#              G  
It hasn't stopped raining for days  
C      A#              G  
My world is a flood  
C      A#              G  
Slowly I become one with the mud

Chorus:

C                      A#                      G  
But if I can't swim after forty days  
C                      A#                      G  
and my mind is crushed by the thrashing waves  
C                      A#                      G  
Lift me up so high that I cannot fall  
C      A#              G  
Lift me up  
C      G#      A#      D#  
Lift me up - when I'm falling  
C      G#      A#      D#  
Lift me up - I'm weak and I'm dying  
C      G#      A#      D#  
Lift me up - I need you to hold me  
C      G#      A#      D#  
Lift me up - Keep me from drowning again

C      A#              G  
Downpour on my soul  
C      A#              G  
Splashing in the ocean, I'm losing control  
C      A#              G  
Dark sky all around  
C      A#              G  
I can't feel my feet touching the ground

[Chorus]

C      A#              G  
Calm the storms that drench my eyes  
C      A#              G  
Dry the streams still flowing  
C      A#              G  
Cast down all the waves of sin

**C**      **A#**              **G**  
And guilt that overthrow me

[Chorus]

**C**      **A#**              **G**  
Lift me up - when I m falling

**C**      **A#**              **G**  
Lift me up - I m weak and I m dying

**C**      **A#**              **G**  
Lift me up - I need you to hold me

**C**      **A#**              **G**  
Lift me up - Keep me from drowning again
