I Need You
Jars Of Clay

Intro: **E** – **Em7** – **E** – **Em7** – **C#m7**

(verse 1)
E   **C#m7**
Strangely out of place,
E   **C#m7**
There is a light filling this room where,
                          A
None would follow before,
                                E
I can t deny it burns me up inside,
                                  A
I fan the flames to melt away my pride,

Do I want shelter from the rain,
        E
Or the rain to wash me away,

[CHORUS]

        B   **F#m**
I need You, I need You, I need You,
B   **C#m**
I need You, I need You, I need You,
A   **E** – **Em7** – **E** – **Em7** – **C#m7**
You re all I m living for,

(verse 2)
E   **C#m7**
I might sound like a fool,
E   **C#m7**
But I think I felt You moving closer to me,
A   **E**
Face to the ground to hide the fatal cut,
                                      A
I fight the weight, I feel You lift me up,

You are the shelter from the rain,
        E
And the rain to wash me away,

[CHORUS]

        B   **F#m**
I need You, I need You, I need You
B

```
I need You, I need You,
   F#m
I need You (You re all I m living for),
B                        C#m7
I need You, I need You, I need You
    A              B
You re all I m living for (all I m living for),
                  C#m
All I m living for (all I m living for),
    A              E
You re all I m living for,

(bridge)
A                                    E
Face to the ground to hide the fatal cut,

I fight the weight, I feel You lift me up,
A                            E
I can t deny it burns me up inside,
                            A
I fan the flames to melt away my pride,

Only have a second to spare,
        E                              A
All the time in the world to know, You re there,

You are the shelter from the rain,
        E
And the rain to wash me away,

[CHORUS]

        B                        F#m
I need You, I need You, I need You,
B
I need You, I need You,
   F#m
I need You (You re all I m living for),
B                        C#m7
I need You, I need You, I need You
    A              B
You re all I m living for (all I m living for),
                  C#m
All I m living for (all I m living for),
    A              E
You re all I m living for,
```
