

## Inland

### Jars Of Clay

Intro: **E**

**E**

There are no streets to walk on  
No maps you can rely on

**C#m**

Faith and guts to guide you  
Wander til you find you

**A**

Only raw desire  
No match to give you fire

**E**

You ll have to trust your heart

**E**

They don t believe in oceans  
You, you were a sailor

**C#m**

Who burned your ship and walked on  
Far away, you walked on

**A**

You keep turning inland  
where no man is an island

**E**

it s where you re supposed to be

**E**

Woah oh oh-oh-oh

**C#m**

woah oh oh-oh-oh

**A**

You keep heading inland  
No man is an island

**E**

Come on home to me

**E**

Afraid of your convictions,  
They said the land will change you

**C#m**

Steady your confession  
Your course make no correction

**A**

When you are a stranger  
Hold your tongue and wager

**E**

That love will set you free  
Until it sets you free

**E**

Woah oh oh-oh-oh

**C#m**

Woah oh oh-oh-oh

**A**

You keep walking inland  
Where no man is an island

**E**

Come on home to me  
(repeat)

**F#m**

**B**

Just follow your desire

**E**

Leave it all

**A**

You re leaving all

**F#m**

**B**

Just burn it in the fire

**E**

Of everything you once knew  
Everyone that knew you

**C#m**

Remove the shoes you came on  
Feel the earth you re made from

**A**

Pack up all your questions  
just keep heading inland

**E**

Come on home to me  
Yeah come on home to me

**E**

Woah oh oh-oh-oh

**C#m**

Woah oh oh-oh-oh

**A**

You keep walking inland  
Where no man is an island

**E**

Come on home to me

**E**

Woah oh oh-oh-oh

(I will always be here by your side)

**C#m**

Woah oh oh-oh-oh

(I will always stand next to you)

**A**

You keep walking inland  
(When the darkness hits the light)  
Where no man is an island  
(In the space where you stand against the tides)

**E**

Come on home to me

(I will always stand next to you)

**C#m**

Come on home to me

(I will always stand next to you)

**A**

Come on home to me

(I will always be here by your side)

**E**

Come on home to me
