

**Loneliness And Alcohol
Jars Of Clay**

Intro: **Em Bm Am** (2x)

Verso

Em **Bm** **Am**
The sound of television creeping through the halls
Em **Bm** **Am**
Left in the wild like a tree pulled from the dirt
Em **Bm** **Am**
You fill the sky with burning arrows from your heart
Em **Bm** **Am**
Throw your bottles out to sea and watch them float away
Refrão

C **Em**
Tell me of the world you re leaving
Bm **C**
While you re swinging like a wrecking ball
Em
You bury all your love in secrets
Bm **C**
And loneliness in alcohol

Instrumental:

Em Bm Am

Verso

Hide your diamonds in the dirt in careful rows
Let your doubt unravel all their all their pretty bows
Cause your heart is broken by the things you love
And your light it carries but it s not enough to change the weather

Refrão

Tell me of the world you re leaving
While you re swinging like a wrecking ball
Bury all your love in secrets
And loneliness in alcohol

ponte

Em **Bm** **Am**
You get buried under all these lines all this light all these lies
Em **Bm** **Am**
You get buried under all these lines all this light all the time
