```
Silence
Jars Of Clay
[INT] -> B
Verse:
Take, take till there s nothing
Nothing to turn to
                  C#m
Nothing when you get through
Won t you break
Scattered pieces of all I ve been
        Е
Bowing to all I ve been
          C#m
Running to
        В
Where are You?
       C#m
Where are You?
Verse:
Did, You leave me unbreakable
Did You leave me frozen
           C#m
I ve never felt so cold
I thought You were silent
And I thought that You left me
For the wreckage and the waste
             C#m
On an empty beach of faith
Was it true
Chorus:
Cause I.....I got a question
      C#m
I got a question
Where are You
```

```
Verse:
Scream, deeper I wanna scream
          C#m
I want You to hear me
           В
I want You to find me
Cause I....I want to believe,
        C#m
That all I pray is wrong
And all I claim is gone
Chorus:
              E
And I....I got a question
      C#m
I got a question
 B E C#m
Where are You
And I.....I got a question
    C#m
I got a question
  В
Where are You....
     C#m
Where are You
 В
Where are You
Where are You
```
