(Section A)

Faultless in the eyes that I could never open wide
 enough to see me through
 Much to my surprise it never orbits around the things
 you should hold me to

(Section B)

I stand here...wondering
 And I m waiting

Chorus:(Section C)

My ear is twisted in all the thoughts
 A glimpse of truce just because
 It s always almost never close
 I close my eyes, hide the distance

(Section D)

Enchanted by the face of peace and when it turns to
 sunken eyes and waterfalls
 Unsatisfied with simple things entangled in the chords,
 I can t take any calls

(Section B)

I stand here waiting
 I m calling

[Chorus](Section C)

Refrain (**actual chords** Not chord shapes relative to capo.)

BM	G#M	C#m	C#m/B	BM	
	Waiting around for some kind of peace				
	G#M	C#m	C#m/B	AM F#m	AM Bm(into section C)
	Hoping you find me in my need				

(Section C)

My ear is twisted
 It s always almost

[Chorus]
