

Unforgetful you
Jars Of Clay

Intro: **E / B / A / B /**

Verse 1: (use heavy chorus)

E **B** **A** **B**
I never minded calling You a king
E **B** (just drums)
If that meant that I could count on You to give me everything
E **A** **F#m** **B**
I never thought I d ask You, I always You knew
E **B** **A** **B**
It was never my intention to question You
E **B** **A** **B**
You never minded calling me a child
E **B** **A** (just drums)
Well, I guess that s how I acted all the while
E **A** **F#m** **B**

But You live through every tantrum, You see through every lie
E **B**
Though they seem to be more common
A **B**
I just wanted You to know why oh why

Chorus:

E **B** **A** **B** **E** **B** **A** **B**
(Ah - ah - ah...) Unforgetful You, (Ah - ah - ah...) unforgetful
E **B** **A** **B** **E** **B** **A** **B**
(Ah - ah - ah...) Unforgetful You, (Ah - ah - ah...) so unforgetful

E / B / A / B /

Verse 3: (same as before)

You never minded giving us the stars
Then showing us how blind and unaware of You we are
You painted me a picture and me how to see
Though I just won t behold it unless it pertains to me...

Chorus

Bridge: (Key change to **Gm**)

Progression: **Gm C Bb**
