Baby s Coming Back To Me

**C**  
Outside there s children laughing  
**F** **G** **C**  
The radio plays my favourite song  
  
The sun is shining  
**F** **G**  
And Peace broke out in the world  
**F** **G**  
& no-one says a cruel word  
**F** **G** **C**  
And Peace is the sweetest sound I ve ever heard  
**F** **G**  
And baby s coming back to me  
**C** **Am**  
Yes, baby s coming back to me  
**F** **G**  
Baby s coming back to me  
**C**  
Yes, baby s coming home  
  
She was just sleeping somewhere  
Now she s come back to hold my hand & we go walking  
And the years have all melted away  
Yeah I remember you like yesterday  
And the Summer s here so say good-bye to rain  
And baby s coming back to me  
Yes, baby s coming back to me  
Baby s coming back to me  
Yes, baby s coming home

**Am** **F** **C**  
I feel like I am surely dreaming:  
**Am** **F** **C**

how can things oh-so-quickly change?

Well, it s strange but true - I m telling you truthfully, see:

That baby s coming back to me

Yes, baby s coming back to me

Baby s coming back to me

My baby s coming home
