**E5 F5 F#5**

[Verse]

**C/G Fm6/Ab Am7**

We were the ones who paved the way

**F#m7b5 Fmaj**

For this street trash of today

N.C.

Tattoos and sports bars

**G Am G/B**

You can't hear yourself...

**C/G Fm6/Ab Am7**

...think, Just the chink chink chink as they sink

**F#m7b5 Fmaj**

Another jug of vodka mixed with an energy drink

**G Am G/B**

But back in the olden days

[Chorus]

**F Am**

We were cool - In Musso and Frank's

**G Em Am**

We ordered ice cream as main course

**F Am**

In a turban of silk - Drinking chocolate milk

**Ab5 G5 Gb5 Fm6 E7**

With a shot of rum on the side, well of course

[Verse]

**C/G Fm6/Ab Am7**

Hanging with high culture refugees

**F#m7b5 Fmaj**

You don't have to be nice, you never have to say please

**G Am G/B**

In the precinct they built a 30s style...

**C/G Fm6/Ab Am7**

...bar And then they put some guy on the door

**F#m7b5 Fmaj**

Just to keep out all the 30s style people

**G Am G/B**

Yeah myth made visible

[Chorus]

**F** **Am**  
A festival of festivities, yes it is:  
**G** **Em** **Am**  
Champagne for all  
**F** **Am**
