

Willow

Jasmine Thompson

verse 1:

Em **G**
Down by the water, under the willow
A **Bm**
Sits a lone ranger, minding the willow

He and his wife, once lived happily

Planted a seed, that grew through the reeds

C **G**
Summers and winters, through snowy decembers
Bm **Em**
Sat by the water close to the embers
C **G** **Bm** **D**
Missing out the lives that they once had before

C
I wouldn't leave you

I would hold you

When the last day comes

What if you need me

Won't you hold me

On the last day, our last day
