[Verse 1:]

Do you see me and still feel love  
Or have I changed inside your heart  
To have only you is such a fuss  
To give all of me is not enough

You left then, you came back  
Sorry don't make it up to me  
Sorry won't make me believe  
He's down on bending knees  
You're down on bending knees saying

You didn't mean it  
You didn't mean it  
If you didn't mean it then why would you say it  
He didn't mean it  
You never mean it  
Then why in the world would you say it  
There's no tomorrow don't you know  
Love me now or let me go  
He didn't mean it  
You never mean it  
Then why in the world would you say it  
Say it, say it

[Verse 2:]

I miss the way we used to be  
Now you're the one that I can't keep  
Thought I was first and never last  
Thought it was you I would always have

You left then you came back  
Sorry don't make it up to me  
Sorry won't make me believe

You didn't mean it  
You didn't mean it  
If you didn't mean it then why would you say it  
He didn't mean it  
You never mean it

Then why in the world would you say it  
There s no tomorrow don t you know (don t you know)  
Love me now or let me go (let me go)  
He didn t mean it  
You never mean it  
Then why in the world would you say it  
Say it, say it

[Bridge:]

It s time to let you go  
It s time to say goodbye  
Boy you need to know  
I m done with you messing with my mind

You didn t mean it you never mean it oh  
You didn t mean it you never mean it  
Then why in the world would you say it  
You didn t mean it you didn t mean it  
If you didn t mean it then why would you say it  
He didn t mean it you never mean it  
Then why in the world would you say it  
There s no tomorrow don t you know  
Love me now or let me go  
You didn t mean it you never mean it  
Then why in the world would you say it

Say it [x3]

Then why in the world would you say it

Say it [x2]

Then why in the world would you say it
