C G
You re what keeps the stars hung up in the sky
Am F
You re what keeps the rivers from running dry
C G
You re what makes my heart go and skip a beat
Am F
When you are inches away from me
C G Am
There ain t no reason, there ain t no rhyme
F C
But still it happens every single time
G Am
When we say , nothing at all

F

Cause your kiss is so natural

C* **F5***
Our first touch was like, wild fire
Am* **F5***
Two hearts standing on a highwire

Too young to know what s right
G **F5***
But too much in love to try to fight it

C **G**

There ain t no reason, there ain t no rhyme
F **C**
But still it happens every single time

When we say nothing at all

Cause your kiss is so natural
