```
Country Boys World
Jason Aldean
```

the timing is a little off, just listen to the song and figure it out

Intro: D C G C G C G She was raised up in Jersey, I said oh Lord have mercy Never seen a one light town til she moved down here She said I m so bored out of my mind Need a Starbucks and a wifi Or a jet airliner to fly me anywhere I said do you wanna take a drive in my truck Don t pay no mind to that 12 point buck Laid across my hood [CHORUS:] You ever been to Rome Georgia D Picked peaches off the trees Am Climbed the water tower in Paris Tennessee Been to Florence Alabama Drank muscadine wine Just give me a chance to change your mind D So before you go and fly away girl Let me show you round a country boy s world Somewhere between there on a dirt road

When I rolled down my window

C

She smelled the scent of wildflowers on the summer wind

With just a bite of homeade ice cream \boldsymbol{c}

And a glass of Momma s sweet tea

This ol holler s got a way of makin friends

Em D C

She d never seen a glowin field of fireflies

∑m D

Or the twinkle of a star in a southern sky

Am

She fell in love

[CHORUS:]

We went down to Rome Georgia
Picked peaches off the trees
Climbed the water tower in Paris Tennessee
Went to Florence Alabama
Drank muscadine wine
She gave me a chance and I made her mine
Says she ll never fly away and she s my girl
It s cause I showed her round a country boy d world

Oooh now she s riding shotgun Sayin baby let s run wild And go down to

[CHORUS:]

Rome Georgia
Pick peaches off the trees
Climb the water tower in Paris Tennessee
Goto Florence Alabama
Drink muscadine wine
She gave me a chance and I made her mine
Says she ll never fly away and she s my girl
It s cause I showed her round a country boy s world
