Days Like These Jason Aldean

```
[Verse 1]
(A)
Ain t no cloud up in my sky.
(A)
I couldn t worry if I tried.
         (G)
I got an open road just darin me,
(D)
                                       (A)
To pick you up, and take you for a ride.
(A)
I got a new shine on my car.
(\mathbf{A})
Sun is tannin my left arm,
               (G)
And while I m waiting on the red light,
I m burnin up a little air guitar.
(A)
Yeah.
[Chorus]
(D)
Turn it up a little bit louder,
Turn it up I love this song.
(D)
Come on girl, the world is ours,
(F#m)
Lets do somethin right or wrong.
(D)
Life is short, lets go live it.
(\mathbf{A})
Ain t no time for wasting time.
(G)
                 (D)
                                      (A)
Days like these, they go by way too fast.
                        (D)
Yeah, days like these, you wanna make em last.
(A)
[Verse 2]
Rest your feet up on the dash.
Leave your toe prints on the glass.
        (G)
Sing it like you mean it, baby.
(D)
                                    (A)
```

```
Close your eyes and lay your head on back.
(A)
What d you say, what was that?
Ooh!
[Chorus]
Turn it up a little bit louder,
(A)
Turn it up I love this song.
(D)
Come on girl, the world is ours,

                       (\mathbf{E})
Lets do somethin right or wrong.
(D)

                 (\mathbf{D})
Days like these, they go by way too fast.
                         (D)
Yeah, days like these, you wanna make em last.
