Lord knows there s a lot I need to change,
A
And I want to baby you make me want to,

G **D** **A** **G**
You tie the knot when I m at the end of my rope,
D **A** **G**
You never stop believing in me when I don t know,
D **A** **Bm**
Who I am or what I m supposed to be,
G
I don t give you no good reasons,
A **D**
But baby don t give up on me,

I ve smoked my last cigarette,

I've never failed at loving you,
