

Johnny Cash
Jason Aldean

```
E-----|
A-----6-6-----|
D-----6h8-8-6-4-----|
G--6h8-8-6-8-8-8-----|
B-----|
e-----|
```

with distortion this sounds ok, but I prefer to play doublets (when you play, play the fret, just on the string below it as well) so the tab for that would be something like this

```
E-----|
A-----6-6-----|
D-----6h8-8-6-4--6-6-----|
G--6h8-8-6-8-8-8--6h8-8-6-4-----|
B--6h8-8-6-8-8-8-----|
e-----|
```

this gives it a much fuller sound

rock on! God Bless all you cowboys like me you there
