

Just Passing Through
Jason Aldean

intro: B D#m G#m E 2x

[Verse 1]

B D#m
Well I can hear that rooster crowin down the road
G#m F# E
I felt my eyes open up real slow and looked around
G#m C#m
Makin sure I hadn t checked out
B D#m
Cause there was an angel lying next to me
G#m F#
And I figured heaven s where I must be
E D#m C#m B
Oh but it was you, and baby what else could I do
F#
In that bed I said a little prayer,

For one more day I m still here

[CHORUS]

E
It s your world and I m just in it
F#
Ain t no other way to spin it
B D#m G#m F#
Lucky me just being here when I get to hold you
E
I m just here to love you girl
F#
It s your world and I m just passing through

B F# G#m E

[Verse 2]

I dig my heels and try to slow this down
I want my life to revolve around, everything you do
Oh but that s all up to you 1stchords.com
Everything good seems to go so fast
It s kinda like one big party you crash you weren t counting on
One day you re here and gone
Baby all I wanna do is lay right here
And hope it all don t disappear

[Repeat Chorus]

solo guitar: **E F# E G#m F#**

[Repeat Chorus]
