Keep The Girl
Jason Aldean

C D x2

C D
This life is full of choices,
C D
Hard to make one all the voices,
G D/F# Em D
In my head,
C D
Those blue eyes I m in love with,
C D
Or that highway which ever I pick,
G D/F# Em D
There ll be regrets,
C D
I go one way I lose everything,
C D
I go the other way same thing,

(Chorus)

G D/F#
I m torn and it s tearing me apart,
Em C
I want to go but I don t want to break her heart,
G D/F#
Like a sword with a double edge blade,
Em C
It s gonna cut deep either way,
Em D
This little town that big old world,
Em D
Chase the dream or keep the girl,

C D
More than once I packed it all up,
C D
But I break down blame it on the truck,
G D/F# Em D
Just couldn t go,
C D
Just wanna be out there making my mark,
C D
Lay down every night in her arms,

(Chorus)

G D/F#

I m torn and it s tearing me apart,

Em C

I want to go but I don t want to break her heart,

G D/F#

Like a sword with a double edge blade,

Em C

It s gonna cut deep either way,

Em D

This little town that big old world,

Em D

Chase the dream or keep the girl,

C D

I don t know why I can t have it all,

C D

Need to tear down that wall,

C D

Between this little town that big old world,

C D

Go chase my dream and keep the girl,

(Chorus)

G D/F#

I m torn and it s tearing me apart,

Em C

I want to go but I don t want to break her heart,

G D/F#

Like a sword with a double edge blade,

Em C

It s gonna cut deep either way,

Em D

This little town that big old world,

Em D

Chase the dream or keep the girl,

G D/F# Em C x4 (fade out)

I want it all,

Keep the girl,

Hey.
