Keep The Girl
Jason Aldean
C D X2
C D
This life is full of choices,
Hard to make one all the voices,
G D/F# Em D
In my head,
C D
Those blue eyes I m in love with,
Or that highway which ever I pick,
G D/F# Em D
There ll be regrets,
I go one way I lose everything,
I go the other way same thing,
(Chorus)
G D/F#
I m torn and it s tearing me apart,
I want to go but I don t want to break her heart,
G D/F#
Like a sword with a double edge blade,
Em C
It s gonna cut deep either way,
Em D
This little town that big old world,
Chase the dream or keep the girl,
More than once I packed it all up,
But I break down blame it on the truck,
G D/F# Em D
Just couldn t go,
Just wanna be out there making my mark,
Lay down every night in her arms,
```

```
(Chorus)
G D/F#
I m torn and it s tearing me apart,
I want to go but I don t want to break her heart,
G D/F#
Like a sword with a double edge blade,
It s gonna cut deep either way,
This little town that big old world,
Chase the dream or keep the girl,
C D
I don t know why I can t have it all,
Need to tear down that wall,
Between this little town that big old world,
Go chase my dream and keep the girl,
(Chorus)
G D/F#
I m torn and it s tearing me apart,
I want to go but I don t want to break her heart,
Like a sword with a double edge blade,
Em C
It s gonna cut deep either way,
This little town that big old world,
Chase the dream or keep the girl,
G D/F# Em C x4 (fade out)
I want it all,
Keep the girl,
Hey.
