Keep The Girl
Jason Aldean

Bb C x2

Bb C
This life is full of choices,
Bb C
Hard to make one all the voices,
F C/F# Dm C
In my head,
Bb C
Those blue eyes I m in love with,
Bb C
Or that highway which ever I pick,
F C/F# Dm C
There ll be regrets,
Bb C
I go one way I lose everything,
Bb C
I go the other way same thing,

(Chorus)

F C/F#
I m torn and it s tearing me apart,
Dm Bb
I want to go but I don t want to break her heart,
F C/F#
Like a sword with a double edge blade,
Dm Bb
It s gonna cut deep either way,
Dm C
This little town that big old world,
Dm C
Chase the dream or keep the girl,

Bb C
More than once I packed it all up,
Bb C
But I break down blame it on the truck,
F C/F# Dm C
Just couldn t go,
Bb C
Just wanna be out there making my mark,
Bb C
Lay down every night in her arms,

(Chorus)

F C/F#

I m torn and it s tearing me apart,

Dm Bb

I want to go but I don t want to break her heart,

F C/F#

Like a sword with a double edge blade,

Dm Bb

It s gonna cut deep either way,

Dm C

This little town that big old world,

Dm C

Chase the dream or keep the girl,

Bb C

I don t know why I can t have it all,

Bb C

Need to tear down that wall,

Bb C

Between this little town that big old world,

Bb C

Go chase my dream and keep the girl,

(Chorus)

F C/F#

I m torn and it s tearing me apart,

Dm Bb

I want to go but I don t want to break her heart,

F C/F#

Like a sword with a double edge blade,

Dm Bb

It s gonna cut deep either way,

Dm C

This little town that big old world,

Dm C

Chase the dream or keep the girl,

F C/F# Dm Bb x4 (fade out)

I want it all,

Keep the girl,

Hey.
